The screenshot shows the login page for Alliance Bank BizSmart. The browser address bar displays [alliancebizsmart.com.my/business/](http://alliancebizsmart.com.my/business/). The page features the Alliance Bank BizSmart logo, a 'USER ID' input field containing 'mysysadmin2', and a 'LOGIN' button. Below the login field is a link for 'Forgot your User ID or Password?'. A promotional banner for 'Complimentary Alliance BizSmart® Online Training' includes a 'Signup Now!' button and a QR code. A prominent security warning box on the right side of the page contains the following text:

- ⚠ DO NOT disclose any online banking information to anyone
- ⚠ DO NOT give your 6-digit SMS TAC to anyone
- ⚠ DO NOT share your 8-digit checksum signing to anyone

Below the warning box, it states: 'Immediately contact the following numbers if you encounter suspicious transactions involving your banking account: Alliance Bank at 03-5516 9988 (24 hours daily) or National Scam Response Centre 'NSRC' at 997 (8am – 8pm daily)'. At the bottom right of the page, the text 'Beware of Financial Online Scams' is displayed.

### Navigate BizSmart® Homepage

- You can see your name and the User Role at the top right corner
- Follow our guided instructions to create Payment Maker and Payment Authoriser
- Click **NEXT** and **START** to proceed

The image shows two screenshots of the BizSmart interface. The top screenshot displays the user profile 'MOHAMAD IRWAN System Administrator' in the top right corner. A modal window titled 'Step 1 of 2' is overlaid, stating 'You are currently logged on as System Administrator where you can:' followed by two checked items: 'Create and manage BizSmart User IDs' and 'Manage Online Transaction Setting'. A 'NEXT >' button is at the bottom of the modal. The bottom screenshot shows the 'Create User' page with a modal window titled 'Step 2 of 2' that says 'For first time, you would need to create BizSmart Users to access payment & account inquiry functions.' and features '< BACK' and 'START >' buttons. A red line connects the 'NEXT' button in the first screenshot to the 'START' button in the second.
