ALLIANCE BANK

APPENDIX

ALLIANCE BANK

SAMPLE: Pin Mailer (Step 1 User ID Activation)

ALLIANCE BANK
Alliance Bank Malaysia Berhad (88103-W)

Enclosed is your personal Identification Number (PIN). This PIN is needed for login to your company's financial transactions via allianceonline.

Note: Your PIN will only be valid for 60 days from the date of issuance.

You are required to perform a PIN change on your first login. Please note the following system controls:

- Length of the PIN is eight digits.
- New PIN must not be the same as the previous PIN.
- PIN will be disabled after three unsuccessful attempts, i.e. entering an incorrect PIN.

For your security, we advise that you:

- Do not write down your PIN anywhere; memories it and destroy this mailer immediately.
- Do not disclose your PIN to anyone, including Alliance Bank employees.
- Notify eBanking Group immediately of any discrepancy, error or suspicion that security has been breached by you.

Note / Nota / 注:

To generate the Token Response number, press and hold the POWER button on your Security Device.

Untuk menjana nombor Token Response, tekan dan tahan butang POWER pada Peranti Sekuriti anda.

只需按住安全密码器的POWER按钮即可取得Token Response号码。

SAMPLE: Identifying Java & Web Browser Version (Step 1 Computer Set-up & Installation)

1. Go to <http://www.whatismybrowser.com/>

The screenshot shows the homepage of 'What Is My Browser.com'. The main content area displays the following information:

- YOUR WEB BROWSER IS:** Internet Explorer 8 or Windows XP (highlighted with a red box and labeled 'Web Browser' and 'Operating System').
- IS YOUR WEB BROWSER UP TO DATE?** Your web browser is out of date.
- Out of date web browsers can have security problems and may cause websites to not work properly.
- The latest version of Internet Explorer does not run on Windows XP.
- You can upgrade your computer to the latest version of Windows so that it will run the latest version of Internet Explorer.
- You can also try a different web browser. Here are three great alternatives: Chrome, Firefox, and Opera.
- YOUR IP ADDRESS IS:** 121.121.21.250
- YOUR BROWSER CAPABILITIES:**
 - Is JavaScript enabled? Yes
 - Are Cookies enabled? Yes
 - Is Flash installed? Flash 11.6 is installed Out of date Update to the latest version
 - Is Java installed? Java 7 (u17) is installed Out of date Update to the latest version (highlighted with a red box and labeled 'JAVA version')
