

1. For Existing allianceonline user, **install** our allianceonline Mobile Banking App onto your device to register for Mobile access.

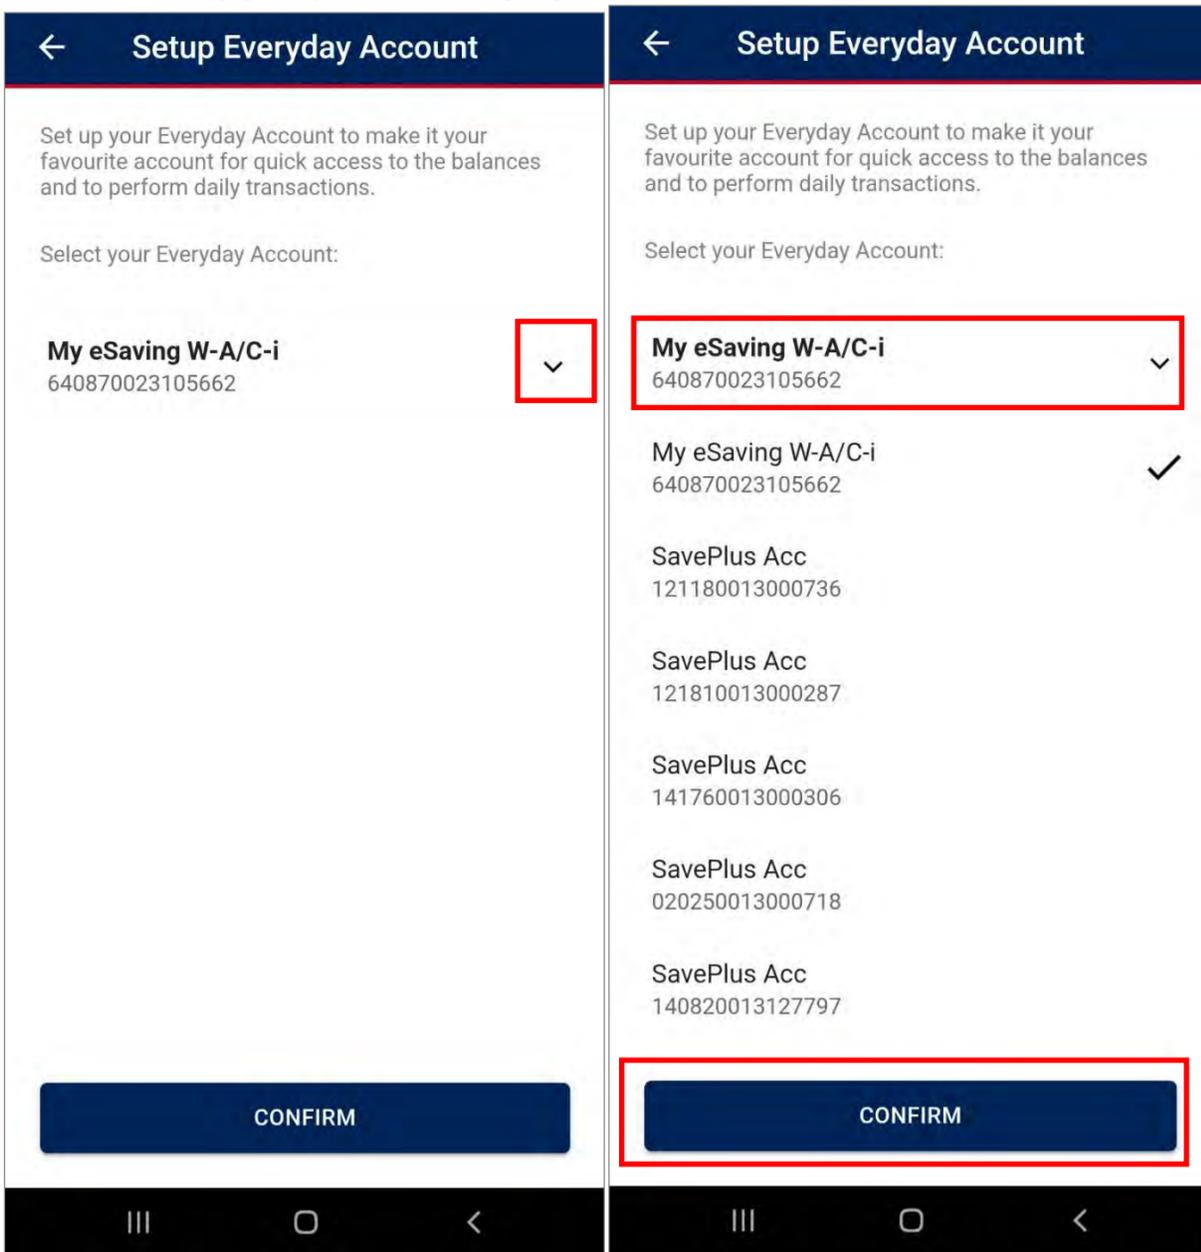

2. Launch the allianceonline Mobile App and select **“Login/Activate”**.

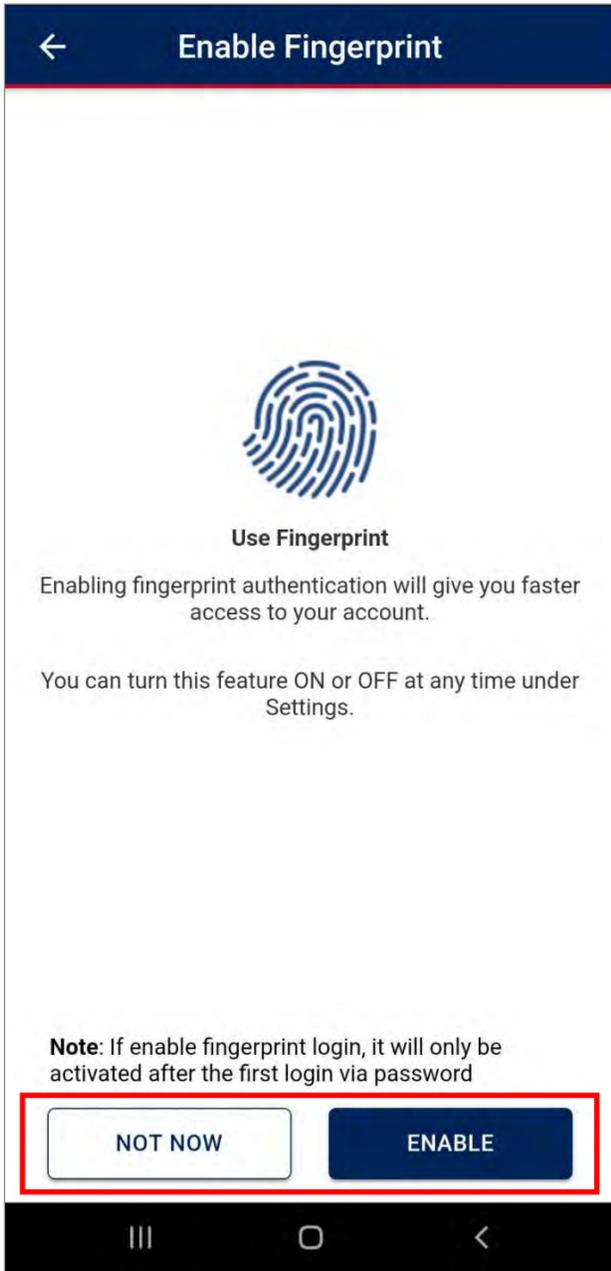

3. Input your **MyKad or Passport Number** and **login** with your existing allianceonline username & password.

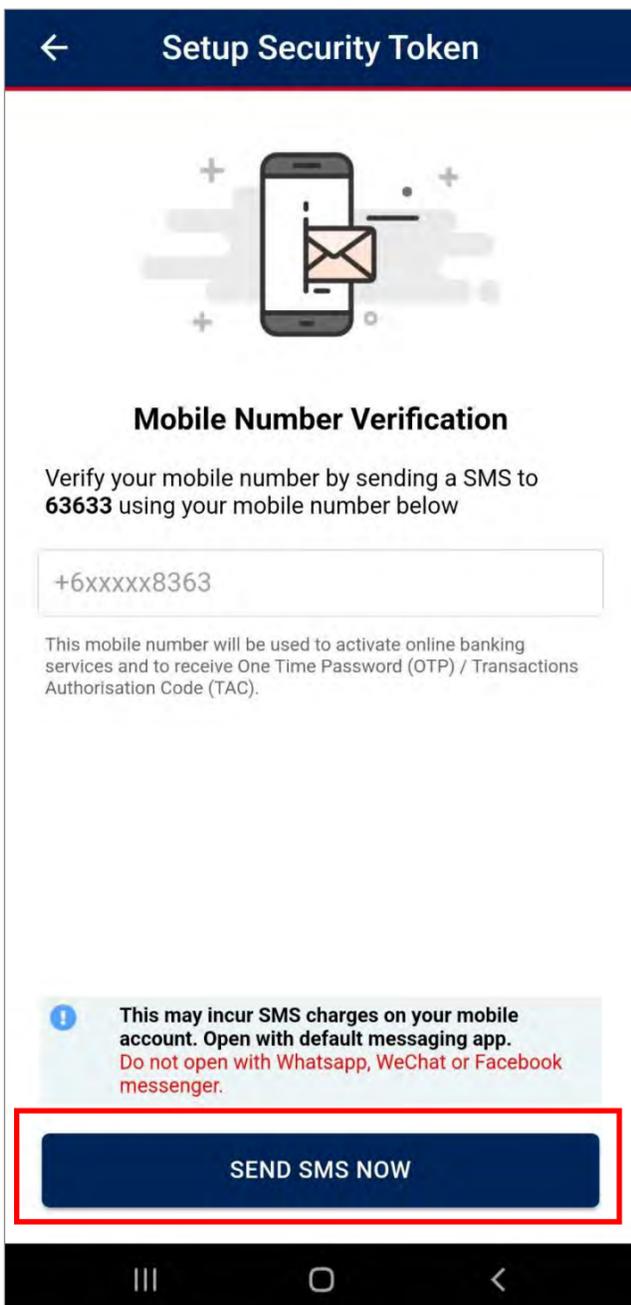

4. Select and set up your preferred everyday account and click **"Confirm"**.

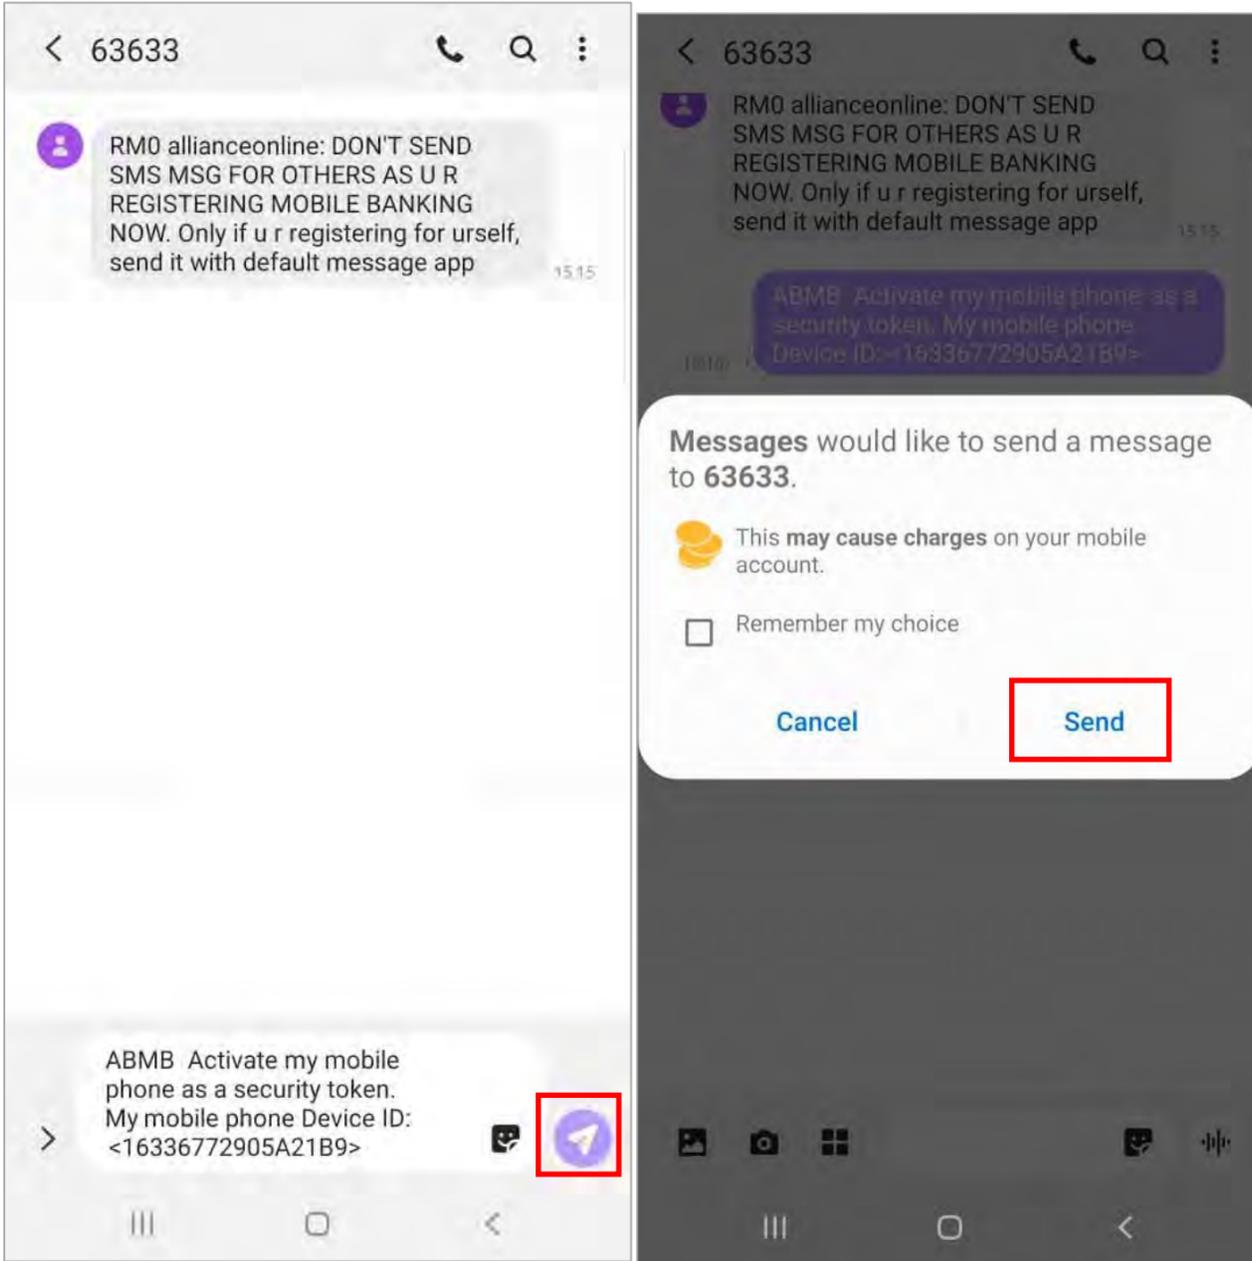

5. Setup your fingerprint authentication by selecting “Not Now” or “Enable” to proceed.

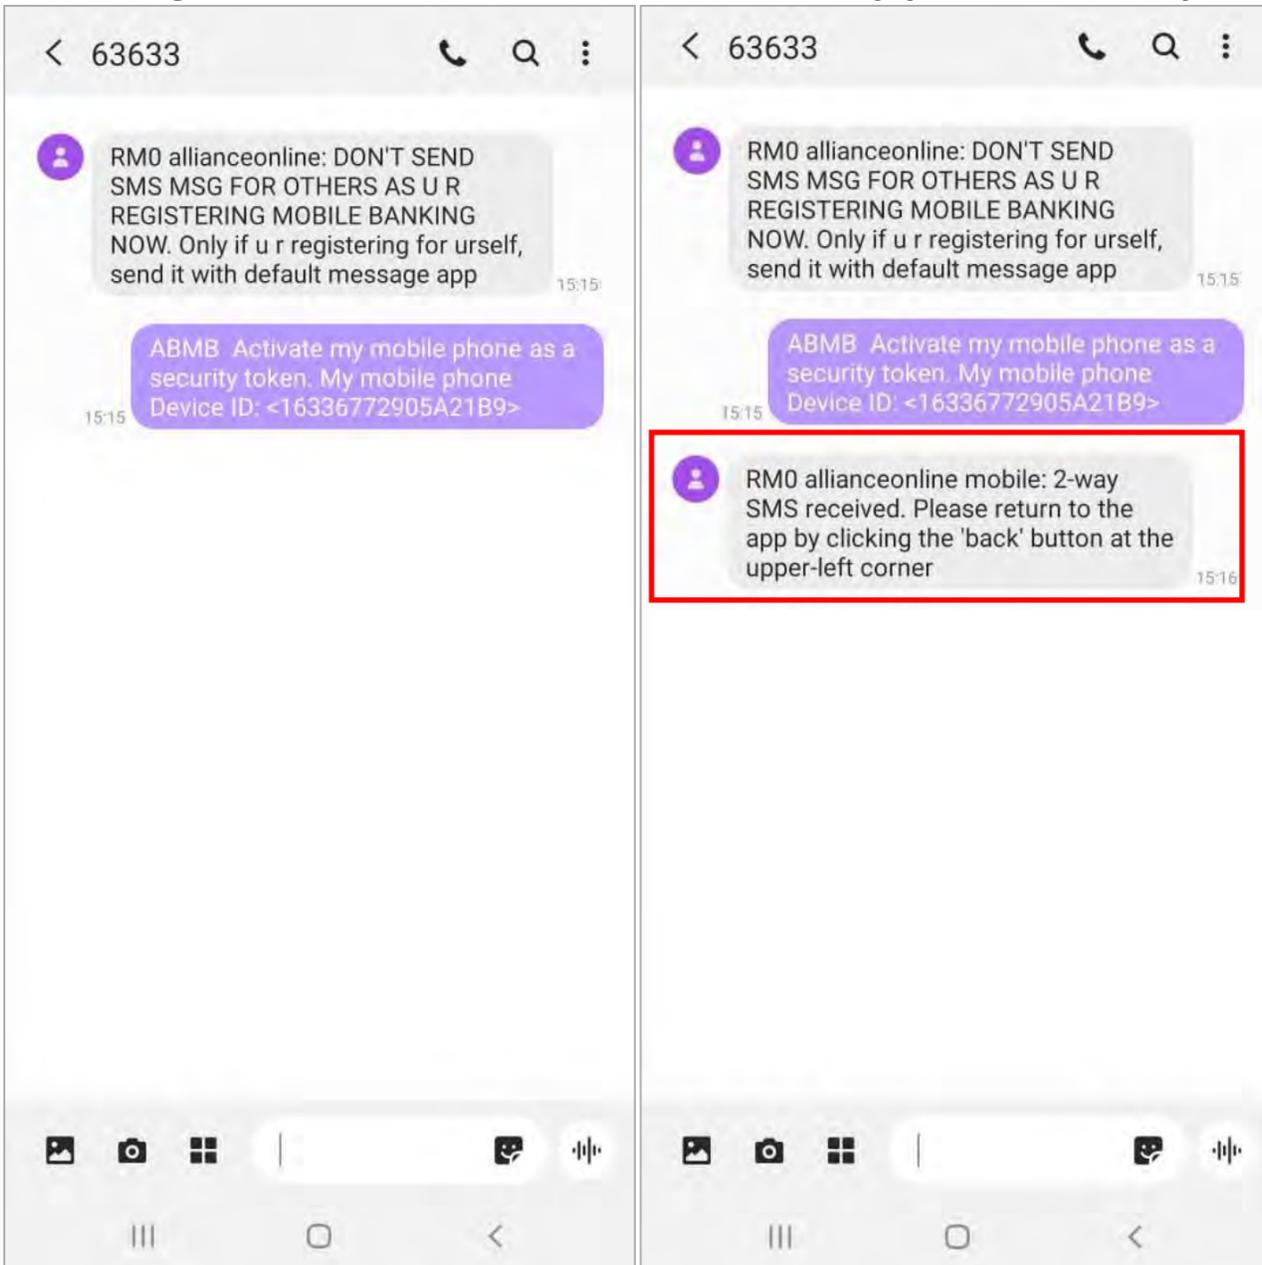

6. Setup your security token by verifying your last 4 digit of your mobile number. Then, select “Send SMS Now” for mobile number verification.

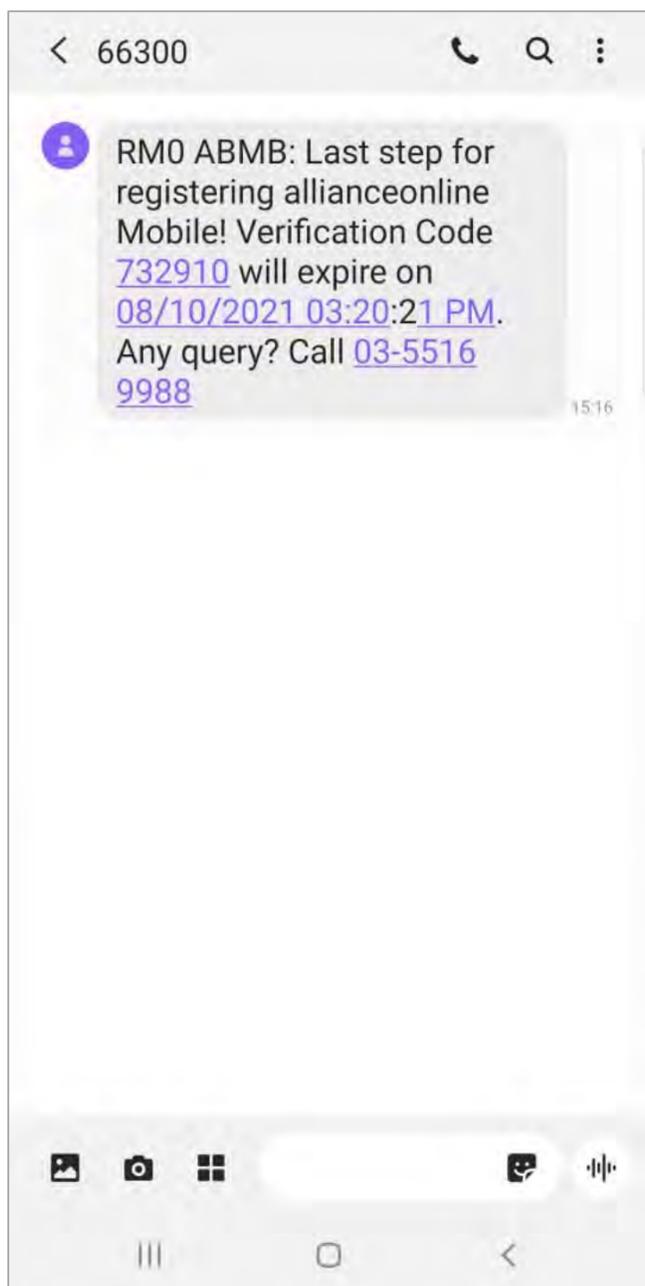

7. You will then be redirected to send the auto-populated SMS message. A pop-up will be prompted and click **“Send”** to successfully send message out.

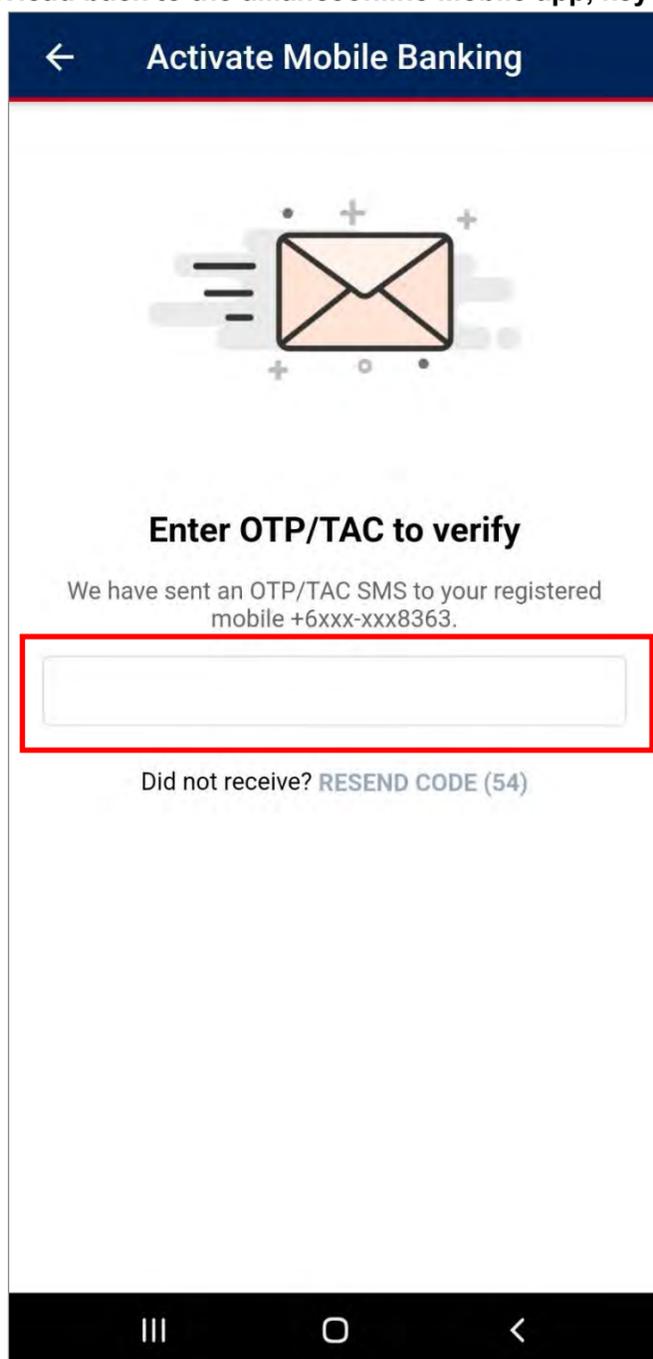

8. Once message is sent and mobile number is verified successfully, you'll receive a 2-way SMS.

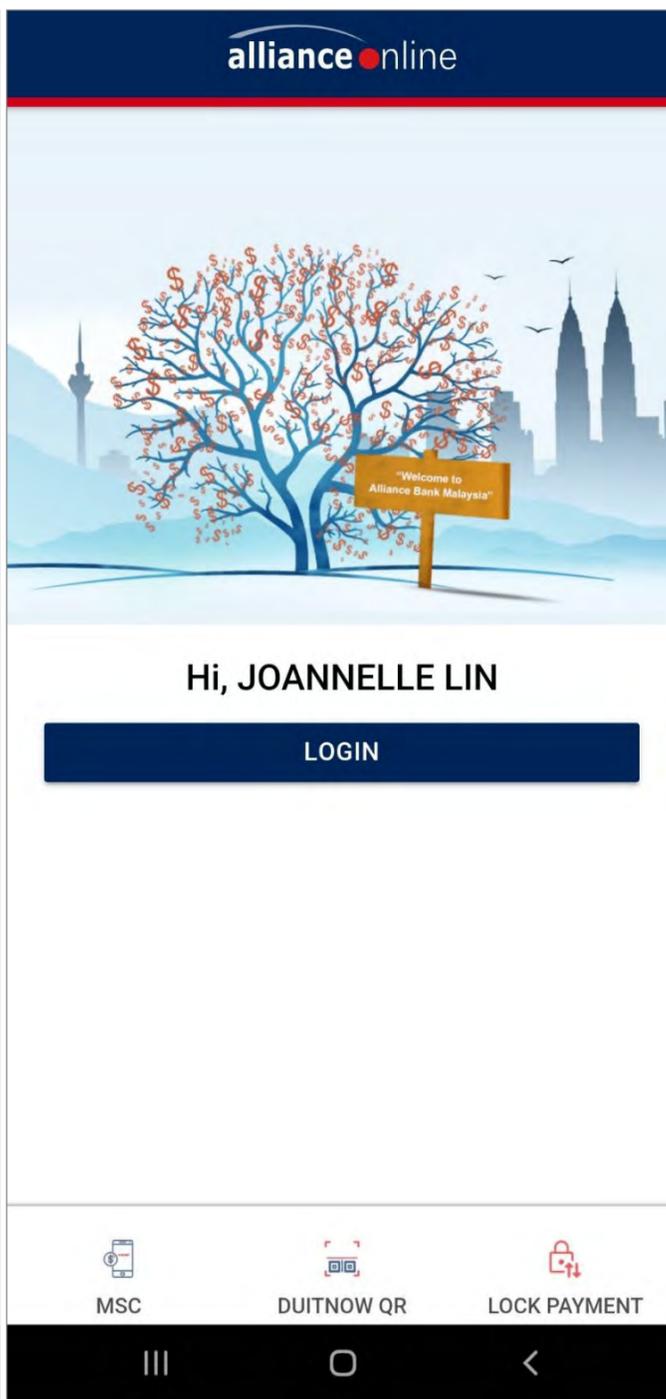

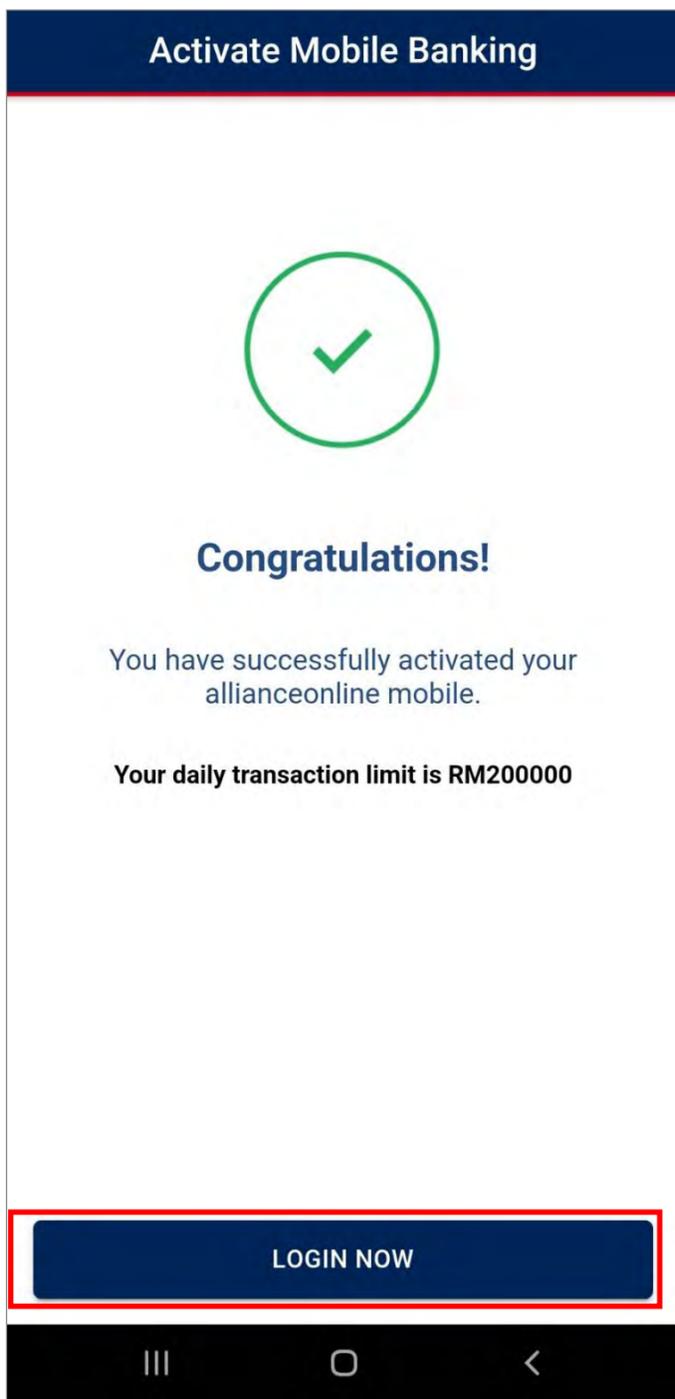

9. You'll then receive a separate SMS message with a 6 digit Verification Code.

10. Head back to the allianceonline Mobile app, key in the 6 digit code received to proceed.

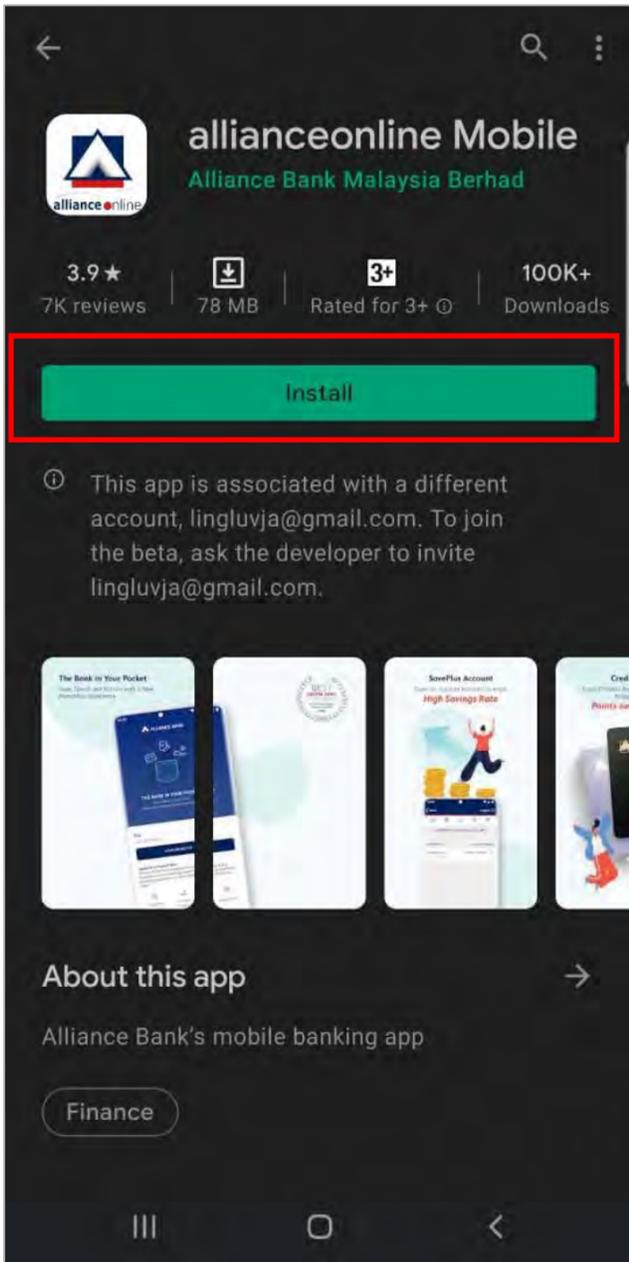

11. Voila! You have successfully activated your allianceonline mobile with your daily transaction limit shown. Click **“Login Now”** to proceed.

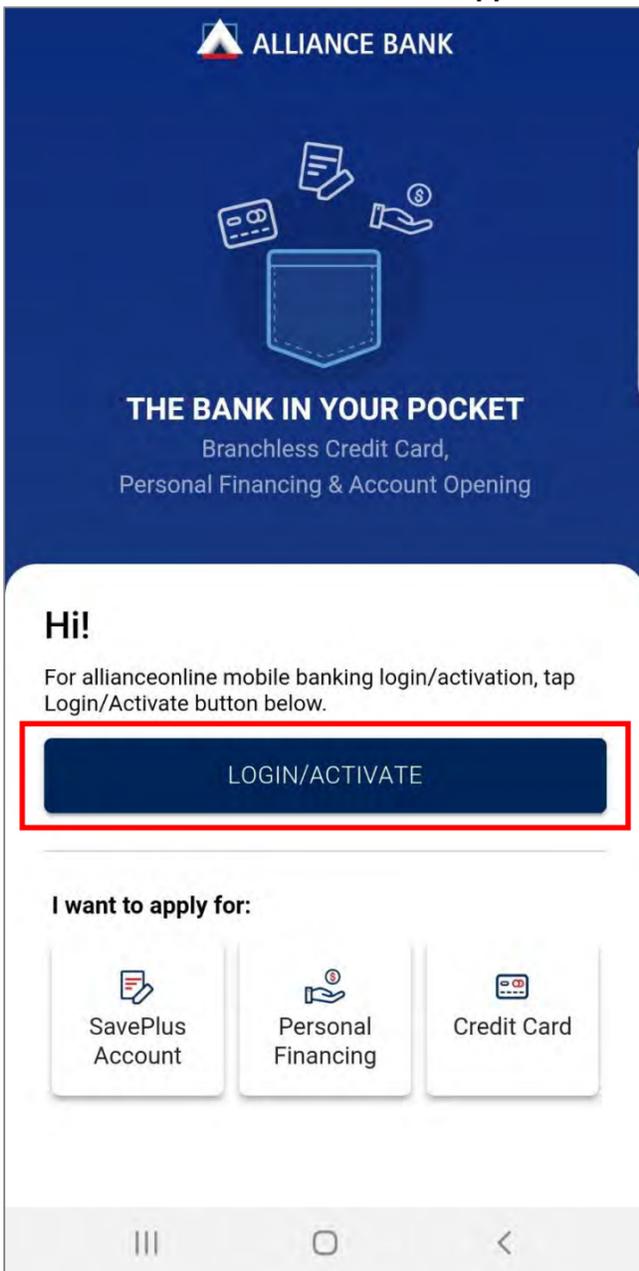

**Registration User Guide for AOM New to allianceonline (NTA) Users**

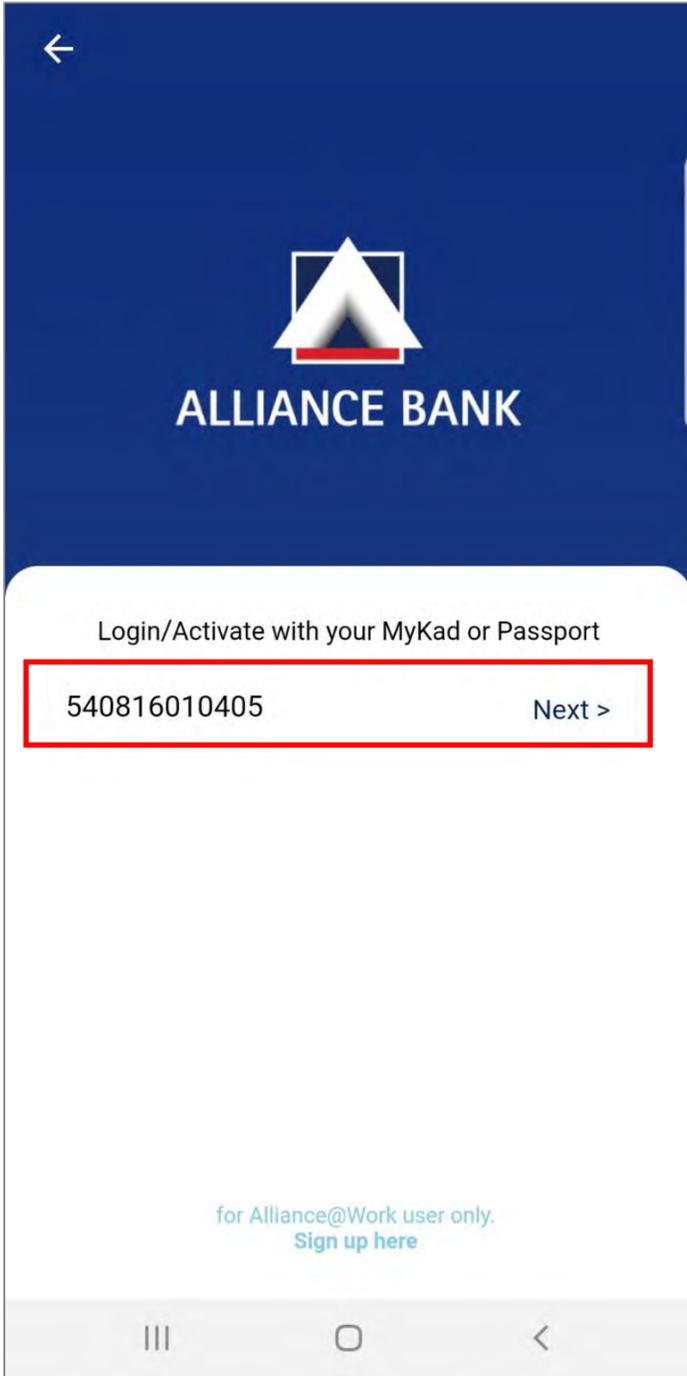

1. For New to allianceonline user, **install** our allianceonline Mobile Banking App onto your device to register for allianceonline.

2. Launch the allianceonline Mobile App and select **“Login/Activate”**.

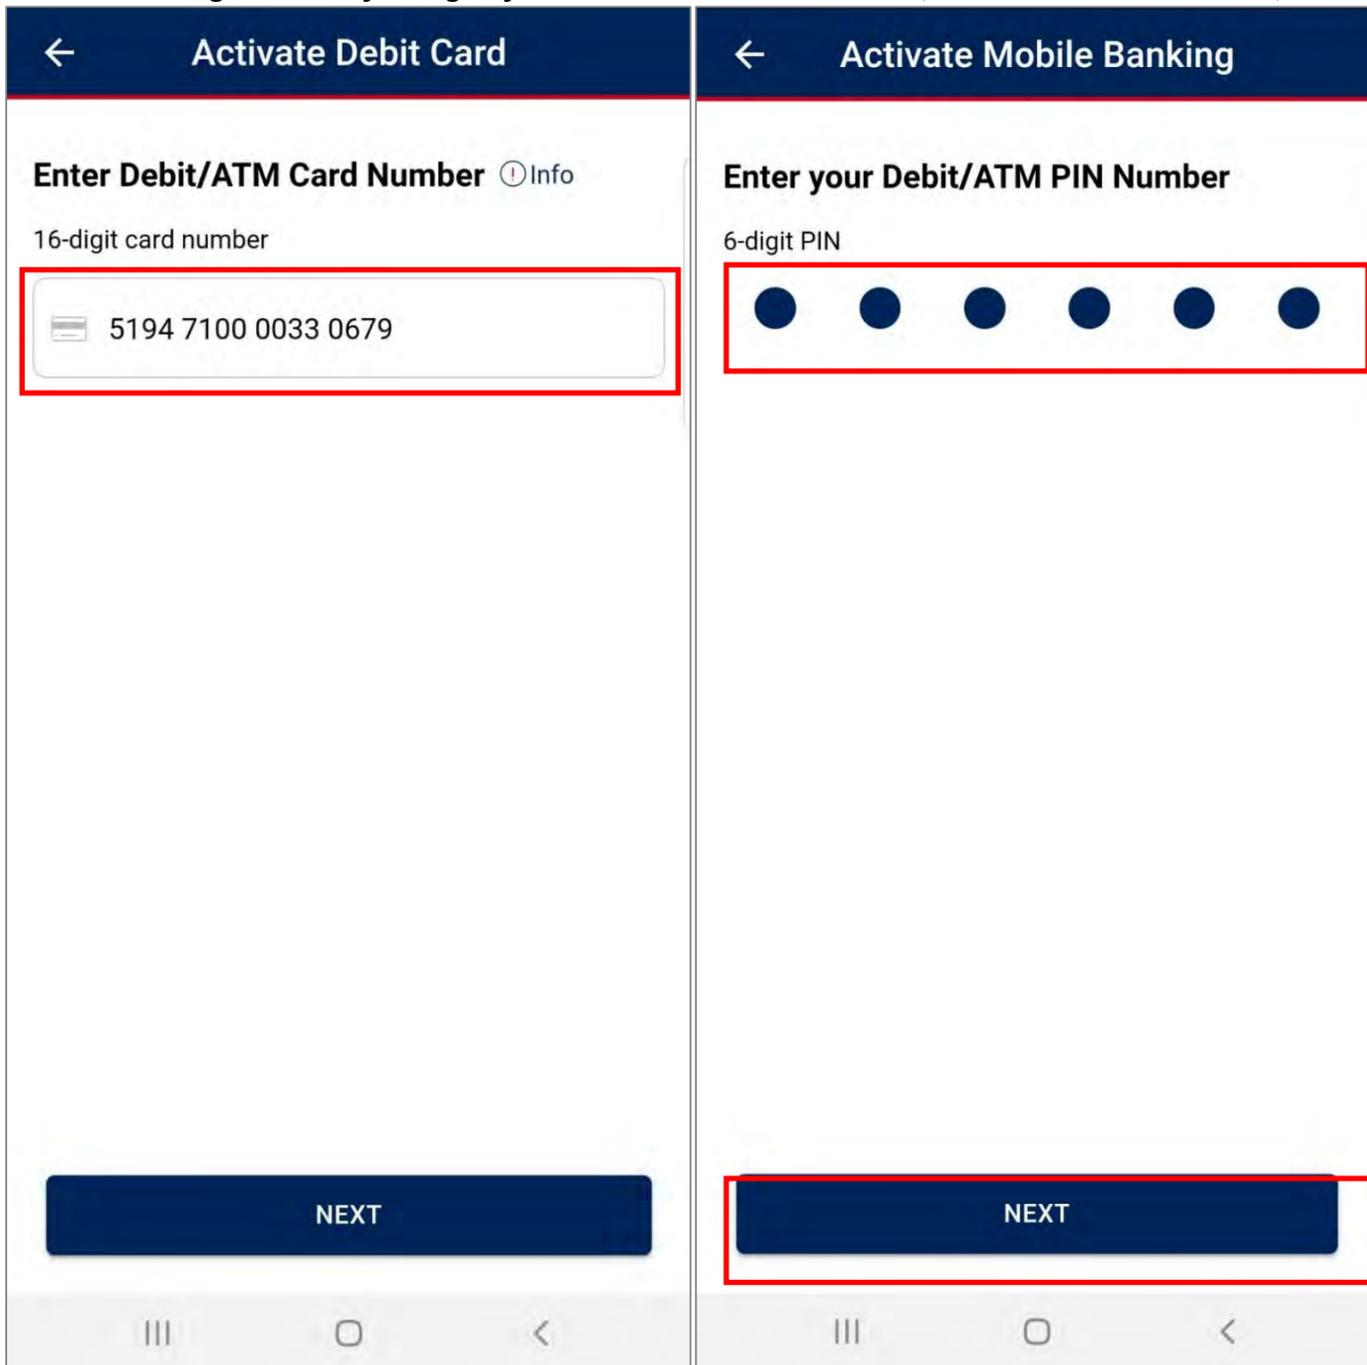

3. Enter your **“MyKad or Passport Number”** to proceed.

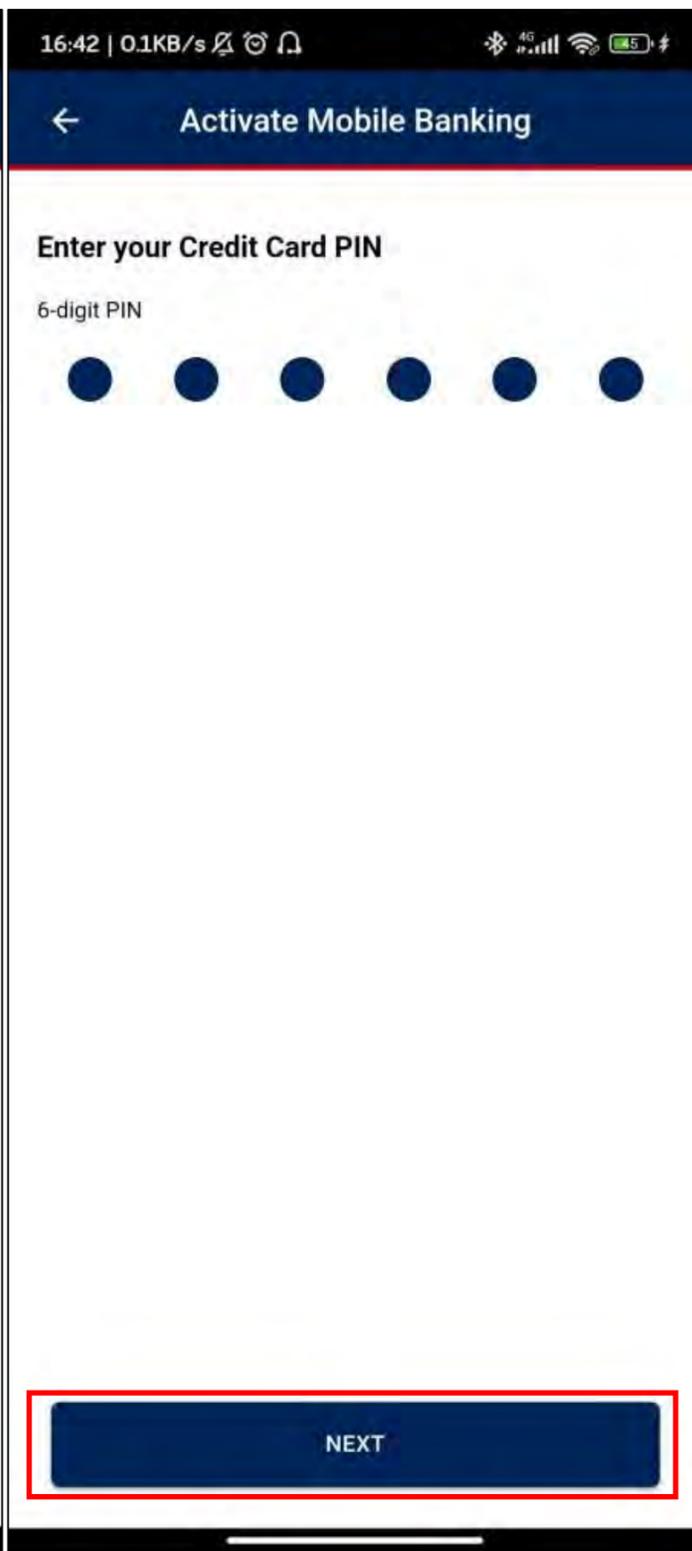

The screenshot shows the Alliance Bank mobile app login screen. At the top, there is a blue header with the Alliance Bank logo and the text "ALLIANCE BANK". Below the header, the text "Login/Activate with your MyKad or Passport" is displayed. A white input field contains the number "540816010405", and a "Next >" button is located to its right. At the bottom of the screen, there is a link that says "for Alliance@Work user only. Sign up here". The Android navigation bar is visible at the very bottom.

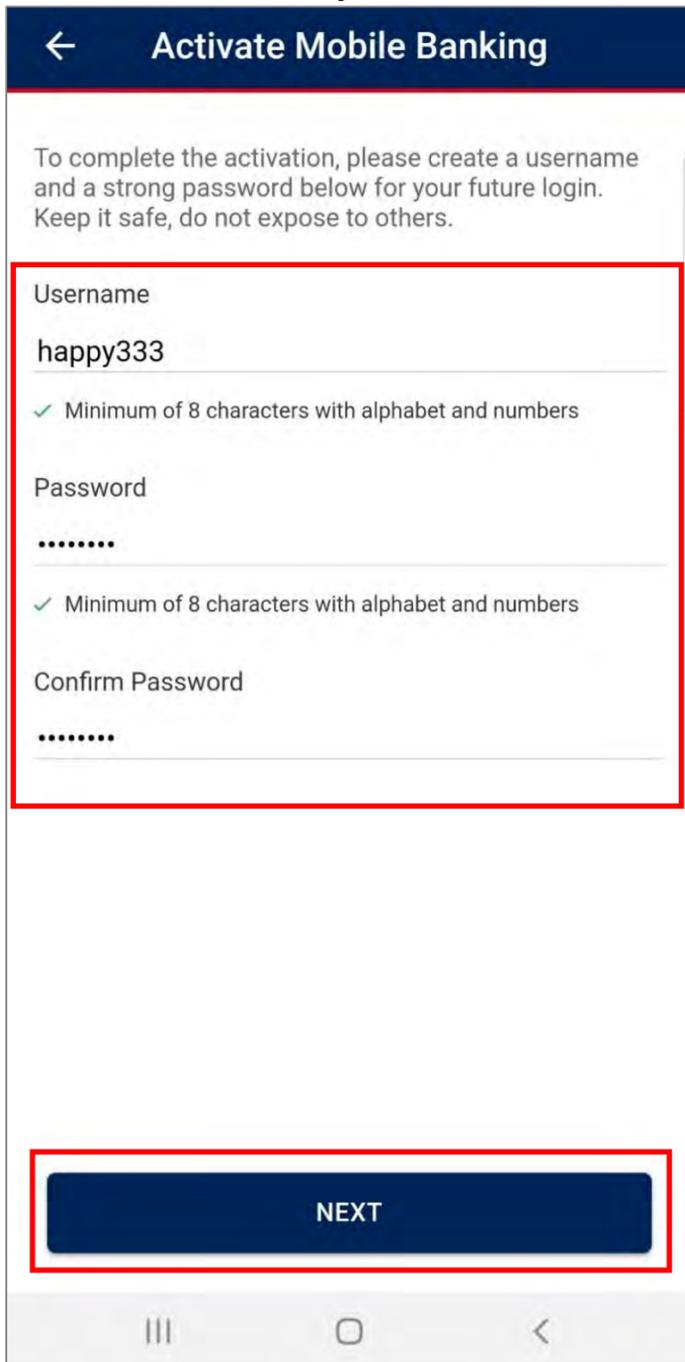

4. Proceed with registration by filling in your Debit/Credit Card Number, and ATM PIN. Once done, click **“Next”** to proceed.

The screenshot shows two side-by-side mobile app screens. The left screen is titled "Activate Debit Card" and has a sub-header "Enter Debit/ATM Card Number" with an "Info" icon. It prompts for a "16-digit card number" and shows the number "5194 7100 0033 0679" in a white input field. A dark blue "NEXT" button is at the bottom. The right screen is titled "Activate Mobile Banking" and has a sub-header "Enter your Debit/ATM PIN Number". It prompts for a "6-digit PIN" and shows six dark blue circles in a white input field. A dark blue "NEXT" button is at the bottom. Both screens have the Android navigation bar at the bottom.

5. Fill in all details such as your Preferred Username, and Password. Then, click "Next" to proceed.

6. Fill in your preferred secure phrase and choose your preferred secure phrase colour. Once done, click **“Activate Now”**.

← **Activate Mobile Banking**

For security purposes, please create a secure phrase and select a colour:

Secure Phrase
