1 What is FlexLink Term Financing-i?

- FlexLink Term Financing-i ("FLTF-i") is a term financing facility that link to a FlexLink Current Account-i ("FLCA-i") that provide you the flexibility to deposit and redraw the excess funds from the current account at any point of time. This financing is offered to you on floating rate (i.e. Standardised Base Rate ("SBR") + Spread) and profit is calculated on daily rests basis. You will be charging/assigning your house/property as a security for this financing.
 - FLCA-i must be opened in conjunction with your FLTF-i, your financing payment is via the FLCA-i.
 - Credit balance in the FLCA-i (after deducting the instalment and due amount), will be used to offset the outstanding principal balance for profit calculation.
 - The eligibility of profit offset calculation is capped at 75% of the FLTF-i principal balance.For further information, please refer to the Bank's corporate website alliancebank.com.my/Islamic/Personal/Financing-i/Alliance FlexLink Term Financing-i
- The applicable Shariah contract is Murabahah via Tawarruq (also known as Commodity Murabahah). A Tawarruq consists of two sale and purchase contracts. The first involves the sale of Shariah compliant commodities by the Bank to the customer on deferred payment terms at the Bank's Selling Price equivalent to the financing amount and the ceiling profit. Subsequently, the customer will sell the same commodities to a third party on a cash and spot basis. To facilitate the above, the Bank shall enter into a "dual-agency" arrangement, whereby you (the principal) shall appoint the Bank as your agent via an agency (wakalah) contract to purchase commodities from the Bank on your behalf and subsequently sell the commodities to a third party.

3 Know Your Risk

What happen if you fail to pay your monthly instalments?

- You will pay more in total due to late payment or default in payment.
- The Bank has the right to deduct money from any deposit accounts with the Bank to offset your financing outstanding balance.
- Legal action will be taken if you fail to respond to the bank's final reminder notice. Your property may be foreclosed, and you will have to bear all costs. You are responsible to settle any shortfall after your property is sold.
- Legal action against you may affect your credit rating. It will lead to difficulty in obtaining any credit facility(ies) or it will be more expensive to you.
- The Bank has the right to outsource debt collection to external agencies and to sell nonperforming financing (NPF) to third parties.

Your monthly instalment may increase during the tenure of your financing.

The SBR may increase due to a rise in the OPR set by Bank Negara Malaysia. An increase in SBR means that you have to pay a higher monthly instalment.

Total payment amount paid over the period of 420 months	RM741,891.00	RM838,179.00	RM939,119.00
