Alliance Bank Malaysia Berhad Name of Product: Home Complete Date: Dec 2024																
1. What is this product about?																	
Home Complete is an unsecured financing calculated based on a variable rate basis (i.e. Standardised Base Rate + Spread). This is offered as a bundle product with the mortgage loan and must be accepted together with the mortgage loan.																	
2. What do I get from this product?																	
<ul style="list-style-type: none"> • Loan amount: Minimum RM10,000 and Maximum up to RM150,000, will be disbursed upon mortgage loan first drawdown • Interest rate charge is pegged to the Standardised Base Rate ("SBR"). The Effective Lending Rate ranges from SBR + 3.88% to SBR + 4.88%. • Financing Tenure is up to 10 years or the remaining mortgage loan tenure, whichever is lower. 																	
Example:																	
Total Amount Borrowed	: RM100,000																
Tenure	: 10 years																
Standardised Base Rate (SBR)	: 3.00% p.a. (subject to change)																
Effective Lending Rate	: SBR + 3.88% = 6.88%																
Total interest cost at the end of 10 years	RM38,589.15																
Total repayment amount at the end of 10 years	RM138,589.15																
Note:																	
The monthly instalment will commence once the Home Complete has been fully disbursed and the above illustration is based on assumption that the loan is fully disbursed.																	
3. What is the Standardise Base Rate (SBR)?																	
The SBR we offer on this product is based on the benchmark rate specified by Bank Negara Malaysia. The benchmark rate is currently set as the Overnight Policy Rate (OPR), which reflects the monetary policy stance as decided by the Monetary Policy Committee of Bank Negara Malaysia.																	
4. What are possible scenarios to trigger a change in the SBR?																	
The SBR can rise or fall due to changes in the benchmark rate, i.e. changes in the Overnight Policy Rate (OPR).																	
5. Historical SBR for the past 3 years

6. What are my obligations?

- For financing of property under construction, you will have to service the interest during the construction period. Interest shall be calculated based on the Effective Rate on the daily outstanding amount (or based on monthly rest where specified and applicable) and such interest to be payable monthly and shall be debited accordingly to your account at the end of each month.
- If the financing tenure extends into your retirement age, you must make the necessary arrangements to ensure that you can continue to repay the loan either through a savings plan or an endowment policy to be arranged for by yourself. Please be aware that in the event that you fail to meet any repayment during retirement, your house may be foreclosed. Therefore it is important for you to have a plan on how to service the repayment during retirement.
- In the event of any variation to the loan tenure and/or interest rate due to changes in the Standardised Base Rate (SBR), the Bank reserves the right to vary the repayment amount accordingly with prior notice given to the customers via letter of notification.

Important: Your monthly instalment and total repayment amount will vary if the SBR changes.

Example:

Rate	Today (SBR = 3.00%)	If SBR goes up 1.00%	If SBR goes up 2.00%
Monthly Instalment	RM 1,155.00	RM 1,207.00	RM 1,261.00
Total interest cost at the end of 10 years	RM 38,589.15	RM 44,833.33	RM 51,232.70
Total repayment amount at the end of 10 years	RM 138,589.15	RM 144,833.33	RM 151,232.70

Note: The above illustration shows your monthly instalment amount, total interest cost and total repayment amount upon commencement of full instalment.
